THE WORKPLACE IS CHANGING

There's a new dynamic in employee and employer relationships. **Employees want to learn and grow throughout their entire careers. They want employers who will provide ongoing development opportunities.**

As an employer, you need people with flexible skills. You need people in position to lead. Talented employees are a competitive advantage. **Competition for those talented individuals is greater than ever before.**

Successful organizations build cultures that encourage learning and innovative thinking. Their employees can respond quickly to market changes. **These changes are happening fast. You and your employees have to adjust faster to succeed.**

RIGHT MANAGEMENT CAN HELP

A close-up photograph of a woman with dark hair pulled back, wearing a light purple button-down shirt. She is smiling warmly at the camera. The background is a blurred office environment with other people working at desks.

WE'RE GLOBAL CAREER EXPERTS

We've spent the last 35+ years identifying workforce challenges and developing innovative solutions to meet them. Our globally informed methods are time-tested. Our strategies are designed to help your company become more agile and innovative by unlocking the value of your most important asset—your people.

AS GLOBAL CAREER EXPERTS

Right Management consultants and coaches are the best at what we do.

Our deep understanding of the global marketplace means our solutions are tailored for local delivery.

And, we're a part of ManpowerGroup®, the world's top provider of innovative workforce solutions.

OUR APPROACH DRIVES BUSINESS RESULTS

The best way to develop an effective talent strategy is to assess the needs of your organization.

We review the talent you have and determine the capabilities your organization needs based on where you want to drive your business.

Our integrated approach links talent development to your business strategy.

WE CREATE TAILORED SOLUTIONS

We create one-size-fits-one solutions, tailored to the culture and goals of your organization, to directly address your needs.

From there, we'll deliver a solution that creates measurable impact for your organization.

A man and a woman in business attire are standing by a glass railing, engaged in conversation. The man is wearing a light pink shirt and a dark tie, while the woman is wearing a dark blazer. They are in a modern, brightly lit office environment with large glass panels in the background.

MAKING AN IMPACT STARTS WITH INSIGHT

We're aware of the challenges facing employers today. But we'll focus on the ones that affect you, using our proven one-size-fits-one approach to drive measurable outcomes for your business. We start by getting to know your company and its culture, assessing your workforce and identifying your needs and challenges, to develop expert insights.

We build on those insights to tailor and deliver solutions that align your talent strategy with your business goals.

Then we'll analyze the impact of those solutions to ensure bottom-line results for your business.

Our tailored solutions are smart and targeted. Our comprehensive capabilities can help your organization overcome a range of challenges, including:

COMPLEX, FAST-CHANGING MARKETPLACE DYNAMICS

We'll provide an approach that enhances the agility of your people and your organization to accelerate employee time to value.

FIERCE COMPETITION FOR TALENT

We'll help you become an employer of choice, with career development resources that increase your attractiveness as an employer. Attract talented individuals, develop current employees to improve retention, engage them and give them the opportunity to increase their value.

GAPS IN CONSISTENT WORKFORCE DEVELOPMENT

We'll put standardized global methodologies in place to help you create a culture of career that adapts to new technologies, increases productivity and drives innovation.

“TWO-THIRDS OF INDIVIDUAL ENGAGEMENT DRIVERS CAN BE TIED TO CAREER DEVELOPMENT DISCUSSIONS.”

INVESTING IN CAREERS DRIVES BOTTOM-LINE RESULTS

Right Management's solutions not only create short-term impact for your company, but also long-term benefits. As a client, you'll notice continued productivity and success. We'll enable you to create a culture of career ownership that makes development a priority, empowers employees to manage their careers and increases organizational effectiveness.

INCREASE ORGANIZATIONAL EFFECTIVENESS

Thrive during times of change with a workforce that's ready to adapt to new challenges. Increase the value of your talent and fill the skill gaps in your organization with these solutions:

- Workforce & Talent Strategy
- Leader Pipeline & Succession Planning
- Workforce Engagement & Retention

ENABLE CAREER MANAGEMENT

Careers are lifelong journeys filled with opportunities to learn, grow and develop new skills. Helping individuals cultivate skills will enable long-term success, minimize risk around transitions, improve mobility and provide insights to inform their career journeys. To help you to do this, we offer these solutions:

- Career Development & Internal Mobility
- Outplacement

DEVELOP INDIVIDUALS

In order to succeed, organizations have to develop high performing individuals, identify future leaders and accelerate their time to value. Focus on cultivating skills that allow not only your employees, but your organization as a whole to become more agile with these solutions:

- Leader Assessment & Development
- High Potential Assessment & Development
- Targeted Capability Development

Right Management's tailored solutions for organizations and individuals create a win-win situation that enables both to succeed. Organizations achieve greater workforce agility by nurturing future talent. And individuals build their skills to increase their value throughout their careers.

CHANGING YOUR APPROACH CAN TRANSFORM YOUR COMPANY

Right Management's tailored solutions help you achieve outcomes that transform your workforce and your organization.

AGILE WORKFORCE

Developing employees with flexible skill sets enables you to respond quickly to organizational and market change. Developing skills which are critical for future success and putting employees in position to lead improves organizational flexibility and agility.

INNOVATIVE APPROACH

Creating a career-focused culture fosters learning and development, drives innovative thinking and faster response to market trends. Employees who can adapt to new technologies can respond to challenges and drive necessary changes without wasting crucial time.

ATTRACTIVE EMPLOYER BRAND

Employees who have meaningful work and ongoing development opportunities not only stay engaged, but also become more valuable as they expand their capabilities. In addition, they're more likely to advocate for your company. This strengthens your employer brand, attracting and retaining top talent and driving bottom-line results.

OUR EXPERIENCE FOR YOUR CONSIDERATION
